Harnessed for the future.

School psychology counselling

for teachers, students, parents & education specialists

We provide advice for...

Teachers:

- Do you want to reflect on your teaching with us?
- Would you like support in dealing with challenging student behaviour?
- Do you want to work on your work-life balance?
- Do you want to talk about stimulating learning?

Employees in the school system:

- Do you need advice on a student / class?
- Would you like to exchange ideas with colleagues about your work?
- Would you like to improve your skills?
- Would you like to exchange ideas on how you can succeed in your work?
- Are you a school social worker interested in working together?
- Do you want a specialist to reflect with you on your work the entire school day?

We provide advice for...

Students:

- Do you experience stress with classmates or teachers?
- How can you feel more relaxed at school?
- How can you learn successfully?

Parents:

- How can you support your child in his/her learning?
- How can you and the teachers keep an eye on your child's learning success?
- How can you help your child to enjoy going to school?
- What can you do if your child is being bullied?
- How can you find a suitable school for your child?

We provide advice for...

School heads:

- Do you want to share, develop and implement something new for your school with your staff?
- Would you benefit from coaching?
- Would you like assistance in school crisis management?
- Would you like to change your school concept?
- Do you want support in the process of including new immigrant children and young people in your school?
